

## HUMBER VALLEY SHARK ATTACK TOURNAMENT RULES

### Registration

- A representative from each team must register (check-in) at the tournament office.
- Players are required to have government-issued ID always showing the player's name and date of birth available upon request during the tournament. A team challenging another player's age must provide proof of birth for every player on their own team first.
- Alternately, the Team Coach or Manager can submit photocopies of all their players' IDs ahead of time.

### Coaching Staffs

It is our objective to host a fair and competitive tournament for all teams. Therefore, it is extremely important that everyone play by the same rules. It is the coaching staff's responsibility to make their players and their parents fully aware of the tournament rules.

### Rosters

- The coaching staff is responsible for ensuring that every player that participates is eligible.
- A player must participate in at least one round robin game to be eligible for the playoffs (quarter finals, semi-finals, or finals).
- A player can only play for one team per age group per tournament.
- Players cannot play in a younger birth year than they are born.
- Any coach who plays a suspended player will automatically have the team disqualified from the tournament.
- A coaching staff that plays a player who is not eligible can have their team immediately disqualified from the tournament under the discretion of tournament staff (including current suspensions, carry over suspensions from prior events, age, false identity, etc.).
- Mixed birth year teams are common. These teams must register for the oldest birth year on their roster

### Payment

The team's registration fee must be paid in full prior to the start of the first game. For more information, please review registration policy – thank you. Your team can be locked out of your dressing room due to delinquent payment.

### Game Format U7 and U8

#### Spirit of the Game:

At U7 and U8 the intent is to create an environment that promotes fun and fair play. Winning occurs when players have fun and have frequent puck touches. Playing against relatively similar skilled players contributes to their fun and development. Coaches on both teams are responsible for collaborating and creating this environment for all players, on the bench and the ice. This is done by splitting the team into higher skilled players playing one another, and the lesser skilled players playing one another. Coaches are strongly encouraged to make in-game adjustments or at mid game break.

There are no eliminations or championships to compete for, there is no advantage of stacking a side or score, all players must have equivalent ice time.

Scores will be kept for the purpose of better matching teams in game 5 (final game). All teams play 5 games.
